**ORDER AFFIRMING RECOMMENDED DECISION  
OF THE MAGISTRATE JUDGE**

I have read the Magistrate Judge’s Recommended Decision, the petitioner’s objections, and the government’s response. I am also aware of the Magistrate Judge’s efforts to expedite the proceedings concerning the petitioner’s dental needs. Upon *de novo* review, I **ADOPT** the Recommended Decision. Although the treatment of Hall was certainly bureaucratic, I agree with the Magistrate Judge that, given the constitutional standards for evaluating medical care, this court can grant no relief under the circumstances.

**So ORDERED.**
