**ORDER AFFIRMING MEMORANDUM DECISION  
OF THE MAGISTRATE JUDGE**

On August 16, 2011, the United States Magistrate Judge filed with the Court, with copies to counsel, his Memorandum Decision on Motions to Supplement Record. The plaintiff filed an objection to the portion of the Memorandum Decision on August 24, 2011, that granted the defendant's motion to supplement the record.

I have reviewed and considered the Memorandum Decision. I concur with the Magistrate Judge's Memorandum Decision because it is neither clearly erroneous nor contrary to law. The defendant's motion to supplement the record is **GRANTED** and the plaintiff is allowed to take limited depositions of these individuals that will displace their affidavits.

**SO ORDERED.**
