

**WELCOME TO
FEDERAL PETIT JURY SERVICE**

**United States District Court
District of Maine**

JUROR INFORMATION HANDBOOK

Welcome

Thank you for serving as a juror in the United States District Court for the District of Maine. We are aware of the burden that jury service places on you, your family, and your business or employer and are grateful for your service. Jurors are an essential component of our judicial system. Because the United States Constitution requires that we use grand juries to decide whether someone should be charged with a federal crime, and because the Constitution also requires that we empanel juries to decide most civil and criminal trials, we simply could not do our work without you.

We want your experience as a juror to be a positive and rewarding one. Be assured that you will be treated with dignity and respect while you are with us, and that we will make every effort to respect your valuable time. When you have questions or concerns, we will answer them as completely and quickly as we can. Below are answers to some Frequently Asked Questions, which we hope will answer most of yours. However, if you have additional questions, please feel free to contact us at the Clerk's Office. We are here to help you.

Jury Phone

Because court schedules can change frequently and with little notice, it is important that you **call after 6:00 p.m. on the night before you are to report** to confirm that you are still required to report. Be sure to have your participant number in front of you when you call.

1. Call **1-844-782-9217**;
2. You will be required to enter your participant number, which is located to the right of your name and address on your summons.
3. The message will inform you of your status and provide you with reporting instructions.

Important: You must call the evening prior to each day of service to confirm your report date and time, even prior to your first appearance; You will not be paid or reimbursed for an appearance if you were instructed not to appear.

Forms to Complete

Be sure to **complete the enclosed** Juror Questionnaire and Jury Information Forms. **Please return the forms in the reply envelope within five days.** You have the option to complete and submit your Jury Information Form online. To do so, go to www.med.uscourts.gov and click on **eJuror**.

If you are selected for jury service, you must follow the Court's instructions and abide by certain rules of conduct intended to ensure that you understand and consider the evidence in this case fairly and impartially. These rules require that until the case is over, you must not conduct your own research by using the Internet or discussing the case with others. You must not access news about this case in any way, and you must not use social media including Facebook, Instagram, Snapchat, LinkedIn, Twitter or blogs to discuss or research the case or your work as a juror. Until the case is over, you must not mention or discuss the case with others in person, by phone, or by posting, tweeting, or blogging on social media or the Internet.

Frequently Asked Questions

How are jurors selected?

Potential jurors are randomly selected electronically from Maine voter registration lists and the list of licensed drivers in the State of Maine.

What is the difference between a petit jury and a grand jury?

- **Petit Jury:** A petit jury is a trial jury for both civil and criminal cases. The petit jury listens to evidence offered during a trial and returns a verdict. A verdict in a civil case may be a finding for the plaintiff or for the defendant. A verdict in a criminal case finds the defendant guilty or not guilty.
 - **Grand Jury:** A grand jury does not determine guilt or innocence, but whether probable cause exists that a crime was committed. Generally, the evidence is presented by an attorney for the government. The grand jury determines from this evidence whether the government has enough evidence to file formal charges against one or more individuals. If probable cause exists, the grand jury will return a written statement of the charges called an "indictment."
-

What is the length of service for a petit juror?

Petit Jury service will last for two months. You will serve during September and October.

- During this 2-month period, the Court has scheduled 2 days of jury selection at the beginning of each month – on September 9 & 10, 2019 and October 7 & 8, 2019.
 - Dates are subject to change or cancellation per the Court's schedule. It is important that you call the evening prior to each date of service to confirm that your appearance is necessary and that there have not been any additional scheduling changes.
 - During each jury selection, juries will be selected for all cases that will be tried during that month. **Jury Selection begins promptly at 8:00 a.m.**
 - If you are either told not to appear for the September jury selections OR appear but are not selected to serve on a trial, you will have completed that month's jury service.
 - Regardless of what happens in September, including if you are selected to serve on a trial in that month, you may still be required to report for the second month of jury selection on October 7 & 8, 2019. Call the jury phone to confirm that it is necessary for you to report (see instructions on page 2).
 - Trials typically last from two to five days, but they may last longer.
-

What if I fail to appear when summoned?

Any person summoned for jury service who fails to respond or appear may be ordered by the Court to appear, at their own expense, to show good cause for their failure to comply with a summons. Any person failing to show good cause for non-compliance with the jury summons may be fined not more than \$1000, imprisoned not more than three days, ordered to perform community service, or any combination thereof.

What if jury duty is an undue hardship or extreme inconvenience?

Occasionally, jurors may need to request a temporary absence from jury service due to scheduled vacations, business obligations, or other important and/or unavoidable events. The Court will make every effort to accommodate temporary absences. However, these absences will not permanently excuse you from jury duty.

If serving as a juror would be an extreme inconvenience or undue hardship for you, you must **mail a physical letter or send an email to jury@med.uscourts.gov**, explaining the circumstances of the hardship or inconvenience. **All requests to be excused must be in writing** and sent to the Clerk of Court with your completed questionnaires well before your scheduled appearance date.

- Do not attempt to obtain an excuse for hardship or inconvenience using any other method than that described above.
 - **Do not call the Clerk's Office** to request an excuse – all requests to be excused must be in writing, sent with your completed questionnaires and received well before your scheduled appearance date,
 - Do not have your employer or anyone else call or write on your behalf – all requests to be excused must be from the juror.
-

What if I am over 75 years old?

If you are 75 years of age or older, and would like to be excused, you need only request this in a letter or email to the Clerk of Court (or through **eJuror**) and it will be granted.

Will I be compensated for jury service?

While serving as a juror, you will be compensated as follows:

Attendance Fee: A \$50.00 attendance fee is paid for each day you are required to report for jury duty. Federal employees will not receive any attendance fee since they will continue to receive their regular pay while they are performing jury service.

Mileage: Mileage is paid at the rate of 58 cents per mile round trip from your residence to the Court or the cost of public transportation. **Please check your odometer readings on your trip in so you can furnish the Court with the number of miles traveled upon your arrival.** You will also be compensated for any tolls you incur round trip between your residence and the courthouse.

Overnight: If you travel more than 100 miles or 2 hours one way from your residence to the courthouse, you may stay overnight on the evening prior to your report date and while you are serving.

You are responsible for payment of any bills you receive for lodging and meals, and you must submit your hotel receipt to the jury clerk to be reimbursed at the current government per diem rate. It is strongly recommended that you find accommodations at the government rate, as the Court cannot reimburse over that amount.

Payment: Typically, your check for jury service will be mailed to you within two weeks from the completion of your service.

Will jury service affect my employment?

Under federal statute, Title 28 USC § 1875, your permanent employer is prohibited from discharging, threatening to discharge, intimidating or coercing you because of your jury service.

Is there a dress code?

Although there is no formal dress code, jurors are expected to dress in a manner that is respectful to the litigants and the Court. The courtrooms are generally very cool, so you may want to bring a jacket or sweater.
